grant for 1912-13 towards the cost.

In his letter dt 15-1-12 which led to the passing of the order, the Dy. Comr stated that he would make a separate reference to Govt in the matter of a contribution from the Kalasa temple for the up-keep of the temple in question after ascertaining the views of the Dharmadarsis and others interested in the Kalasa temple.

2. The dharmadarsis, who at first proposed to contribute Rs 10/- per annum from the Kalasa temple for the up-keep of the temple in question, resolved at a subsequent meeting held ~~on~~ on 10-11-16 that Rs 15/- per annum may be contributed from the Kalasa temple funds for the support of the temple.

3. It will be seen from the Amildar's report dt 22-11-16 that a certain Brahmadaya inam land in Nadavina Madakal village, Mudigere hobli, in the Khake of one Ranjunda Jois, is proposed to be transferred to the Khake of the temple as there are found to be no legal claimants to it. The Dy. Comr makes no mention of this in his letter to Govt.

12. It does not seem right to encourage such appointments. It is wrong in principle. It means that any one can build a temple & force it upon Govt. to maintain, irrespective of - whether Govt. is willing to take the temple over or not & then Govt. has to maintain it.
It is all right we can do to keep our present temples in good working order but leave alone the new ones -
I would recommend period of five years & sanction it as a very special case.
